ADVISORS 5 YEARS OF SERVICE:

CONGRATULATIONS, ADVISORS!
Inspired by the many aspects that make our state unique, this HOSA pin design focuses on Hawaii's beauty and overwhelming spirit of aloha. Genuine strength and beauty can not only be found within our natural life but also within our people. Our values of aloha are present in all aspects of life and especially translate in our medical care. This pin design well represents Hawaii's welcoming spirit towards all state/regional chapters we will come to connect with, while grounding us as a strong reminder of where we are from.
We'd like to extend special thanks to our teachers, students, judges, volunteers, speakers, and sponsors. Without your continuous support, Hawaii HOSA would not be as successful as it is today. Thank you for being a part of the pipeline for future health professionals.
HOSA CREED

I recognize the universal need for quality, compassionate healthcare.

I understand the importance of academic excellence, skills training, and leadership development in my career pathway.

I believe through service to my community and to the world, I will make the best use of my knowledge and talents.

I accept the responsibility of a health professional and seek to find my place on a team equally committed to the well-being of others.

Therefore, I will dedicate myself to promoting health and advancing healthcare as a student, a leader, an educator, and a member of HOSA-Future Health Professionals.
